Say 'I do' in truly extraordinary surroundings at Kimpton Fitzroy London. Steeped in 19th century history and housed in an ornate terracotta façade marked by four British Queens, Kimpton Fitzroy London's inspiring location, dramatic chandeliers, and Pyrenean marble staircase set the tone for an unforgettable wedding day.

THERE'S NO ONE LIKE YOU, AND YOUR
WEDDING SHOULD REFLECT THAT:
YOUR STYLE, YOUR PERSONALITY,
YOUR EVERY WHIM.

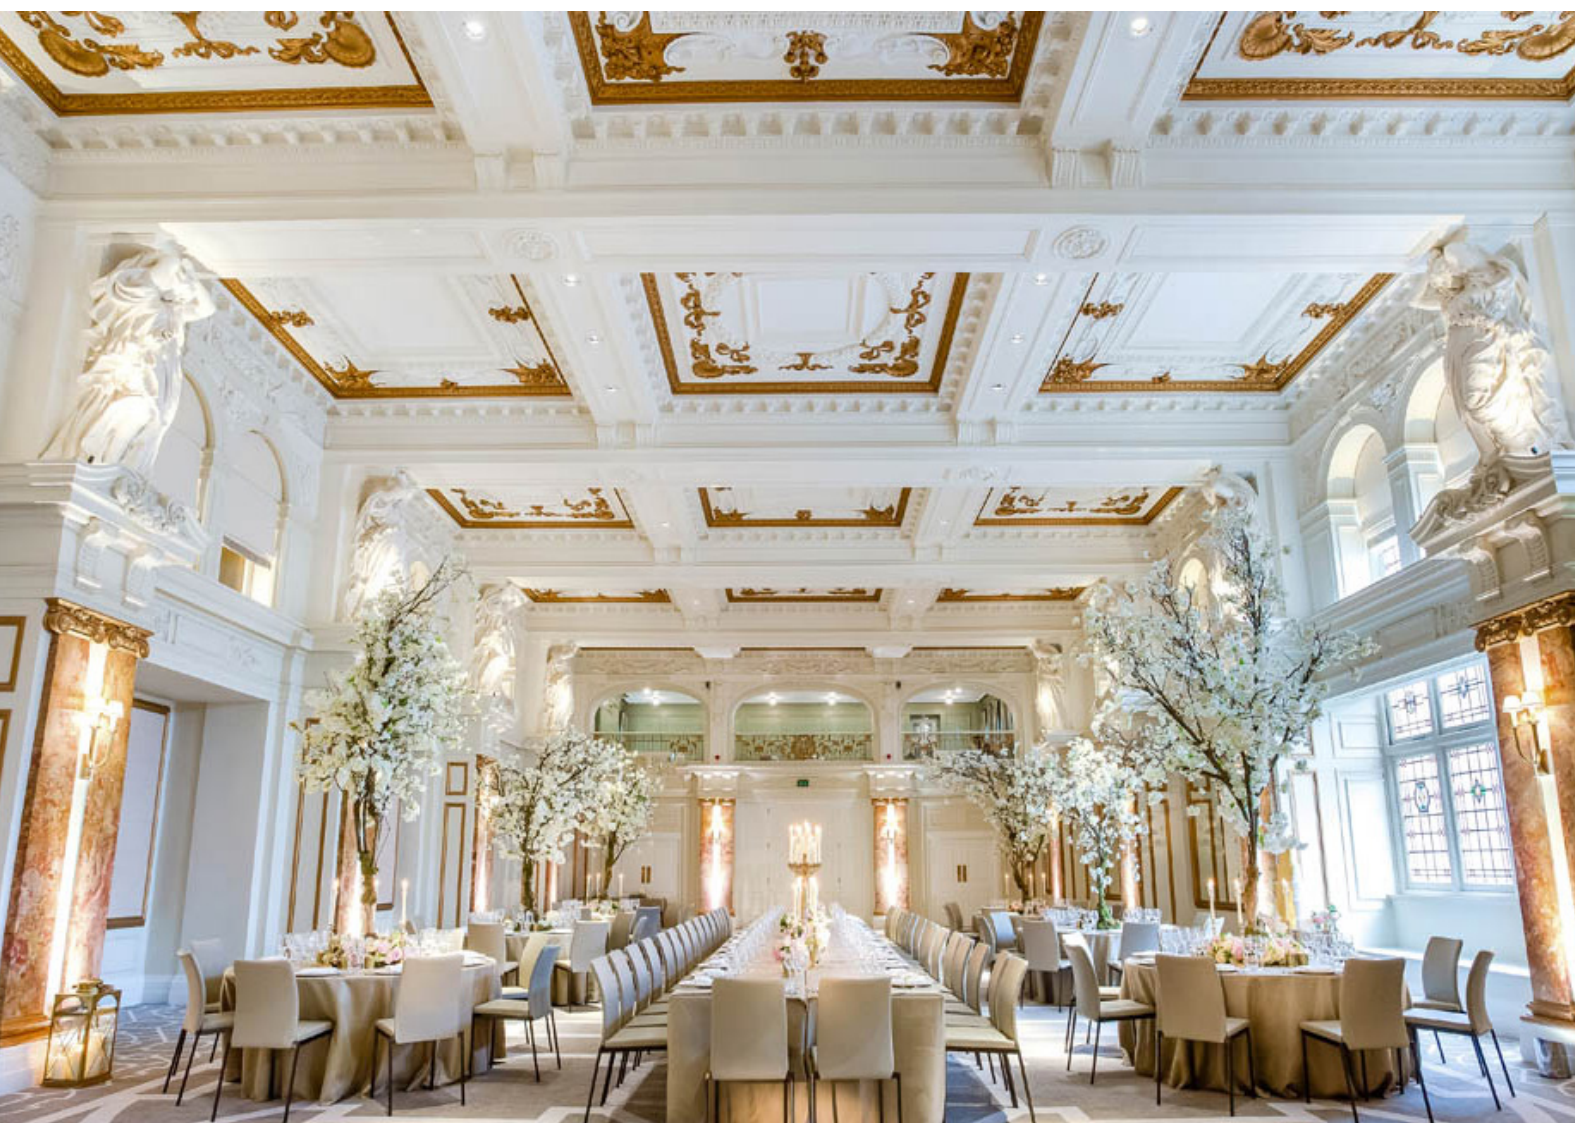

BALLROOM & PALM COURT

Let your imagination run wild. Our architecturally striking ballroom, recently restored to its original splendour, oozes elegance. With an ornate golden coffered ceiling and its own private entrance, turn this inspiring space into a dreamy destination for up to 200 guests seated or 450 standing.

Adjoining the majestic ballroom is our leafy, light-filled Palm Court, featuring a stunning summer terrace and winter garden. The soaring glass ceilings and gorgeous greenery make the perfect setting for a celebratory toast at our Champagne bar.

Come evening, your guests will be swept away by the beautifully romantic atmosphere and twinkly lights.

THE SPACES

At Kimpton Fitzroy London, you'll find spaces to make your every wedding dream come true.

From the newly refurbished Ballroom, complete with private entrance and original details, to a whole floor of more intimate event spaces that can accommodate gatherings of 8 to 50 guests. If you're imagining stuffy, windowless boardrooms, think again; instead, you'll find natural daylight and the same classic design aesthetic found throughout Kimpton Fitzroy London.

A wide-angle photograph of a wedding reception in a grand, ornate ballroom. The room features high ceilings, classical statues on pedestals, and large arched windows. Guests are seated at round tables covered with white cloths, decorated with red and white floral centerpieces and lit with candles. In the center of the room, a man in a tuxedo stands at a podium, addressing the guests. The lighting is warm and ambient, creating a sophisticated atmosphere.
