

Civil Ceremonies

Say 'I do' in style at the voco Oxford Thames with a choice of function suites
& extensive grounds to host your big day.

Little Barn

Filled with rustic charm, our "Little Barn" offers an enchanting space for your celebrations.

Exposed brickwork and wooden beams create a traditional setting for your ceremony.

This space hosts up to 100 guests for your wedding ceremony.

Garden Pavilion

Make the most of our idyllic River Thames location with an outdoor ceremony at our Riverside Garden Pavilion. Blend your wedding design around the pavilion and natural landscape.

The ceremony hire is inclusive of your selected ceremony suite, use of our cream aisle runner and access to our music system to play your wedding ceremony music.

Should you wish to choose our outdoor option, an inside space is also required as a weather back up plan. You will need to confirm both spaces on the registrars outside ceremony forms.

The Civil Ceremony is a legal requirement, and the registrar will speak directly with you both, prior to and on the morning of your wedding day. You will need to book your registrars through the local office.
