

A family of four is captured in a joyful moment on a beach at sunset. The father, on the left, and the mother, on the right, are jumping with their arms raised high. Between them, a young boy and a young girl are running and holding hands. They are all silhouetted against the bright, orange glow of the setting sun, which is positioned in the upper center of the frame. The ocean waves are visible in the background, and the sandy beach is in the foreground.
