BALI CANGGU

# A SUMMER OF SUN AND SERENITY

Bali in summer is something felt before it is seen.

The surf rolls in with easy confidence, the air carries frangipani and salt, and the days stretch long and golden over Canggu's shores. Mornings invite exploration, afternoons drift toward the ocean, and evenings soften into candlelit dinners beneath an open sky.

It is a season to arrive fully and leave reluctantly.

At Regent Bali Canggu, every detail is thoughtfully considered, so all you need to do is be present.

This is the place.  
This is Regent Bali Canggu.

# CURE

OPENING HOURS

**Tuesday to Saturday** | 5:00 pm - 12:00 am

# Seaside Dining with European Soul & Asian Flavours

**Andrew Walsh**  
CHEF PATRON

Set along the coast of Batu Bolong within Regent Bali Canggu, CURE Bali is a refined dining destination by Chef-Founder Andrew Walsh. Rooted in the Latin *curare* — "*to take care*" — CURE honours craftsmanship, community, and a deep respect for ingredients and their producers.

Building on its acclaimed Singapore flagship, CURE Bali brings together European technique and vibrant Asian flavours through seasonally driven menus that celebrate both heritage and innovation.

Complementing the restaurant, Bar Nua offers a dynamic beverage programme, while the forthcoming Curing Room will present an intimate tasting menu experience guided by chef-led creativity.
