

MINDFUL MEETINGS | EVENT SPACE

Providing a safe, healthy, and clean stay for every traveler has always been important to us. Giving you additional confidence in our approach is more critical to us than ever before.

Because connection matters, IHG presents “Mindful Meetings” to provide physical distancing guidelines for Meetings & Events. IHG will continue to refine and update the plan as guidance continue to evolve from global health organizations including the World Health Organization (WHO) and Central for Disease Control (CDC), and state and local authorities.
