Healing Honey Agave Massage | 50/80-minutes, \$210/\$290 per person

Indulge in this healing massage that begins with a dry brush exfoliation and warm compresses on the back to release tension. Several massage techniques are incorporated to achieve overall relaxation for body and mind including an indulgent scalp treatment. A soothing agave oil is then massaged into the body for ultra-hydration to soften the skin. A warm honey butter foot and hand treatment completes this restorative experience.

Skin Renewal Facial | 50-minutes, \$225 per person

Let's face it (pun intended), the Fall isn't very kind to our skin. But with this treatment you can restore your skin's vitality through this age-defying treatment. This luxurious facial focuses on the eyes, neck, and jawline delivering a brighter, nourished and lifted complexion. Each treatment includes a gentle exfoliation, an acupressure facial massage, and nutrient-rich extracts for long-lasting results. So you always shine on.

MED-icure | 25-minutes per session, \$125 each for 3-5 sessions / \$115 each for 6 sessions

Our chemical peels remove a controlled amount of skin cells from the epidermis to treat wrinkles, discolored skin, fade scars and other skin imperfections. A light peel can be done as a add-in to a facial. A medium peel can be done in a series of 3-6 treatments every 3 to 4 weeks for maximum results. All series include a post-treatment home care kit.

Renew with Two | 50/80-minutes, \$180/\$350 per person

We love going to a midweek movie and taking advantage of the unlimited popcorn and other goodies, but this may be our new, favorite midweek treat. Book your getaway any Monday through Thursday and enjoy one of the following services for only \$180 per person, or two for only \$350!
