# FLOOR PLANS

An IHG Hotel. Staybridge Suites® is ideal for upscale business and leisure travelers who seek extended stays and want to enjoy the best of home. At Staybridge Suites we strive to meet both the physical and emotional needs of comfort for our guests in order to create unique and authentic senses of home-like and family belonging.

This starts in the Great Room, where the welcoming fireplace provides a space for guests to interact with each other. It continues with the residential feel of the spacious suites, where you can do anything from preparing meals in your fully fitted kitchen to entertaining friends and colleagues. Guests are encouraged to get as comfortable as they would in their own homes and feel like they're one of the family!
