

STAYBRIDGE SUITES | WICHITA, KANSAS

NEWLY TRANSFORMED!

Our complete hotel renovation is now finished.

A fresh new way to feel at home

Experience a renewed stay at Staybridge Suites Wichita, fully renovated from top to bottom. Designed for extended stays and shorter visits, the hotel offers refreshed surroundings, modern comforts, and thoughtful conveniences throughout.

Beautifully refreshed suites. Every suite features new furniture, linens, flooring, wall coverings, fixtures, artwork, window treatments, kitchen equipment, service ware, and upgraded kitchen and bathroom countertops. New shower surrounds, fresh paint, and updated finishes create a brighter, cleaner and more comfortable place to settle in.

Renewed spaces inside and out. The transformation includes the lobby, front desk, breakfast area, fitness center, elevator, hallways, public restrooms and conference room. Outside, enjoy the renovated courtyard and pool area with new furniture, a new grill, upgraded pool lighting and a freshly painted exterior.

Convenient northeast Wichita location. Enjoy easy access to K-96, Bradley Fair, The Waterfront and Wichita Dwight D. Eisenhower National Airport, just 15 minutes away. Nearby employers include Wichita State University, Koch Industries, Cessna, NetApp, INVISTA, Boeing and FlightSafety International.

Modern comfort. Everyday convenience. A welcoming place to connect.
