BODY RITUALS

BODY EXFOLIATION AND SEAWEED WRAP

This revitalizing ritual consists of a whole-body exfoliation and a stimulating massage amidst exquisite aromas, aimed at restoring the skin's hydration and quality, which can be lost during the tensions of daily life. Exclusive benefits, due to the blend of laminaria algae and sea salts, perfect for a reparative effect.

90 min: S/ 416 · \$113

ANDEAN RITUAL WITH COCA LEAF

Andean ritual from ancestral Peru, done under the influence of our millenary culture, with energizing, nourishing and reparative effects.

90 min: S/ 469 · \$127

BODY EXFOLIATION AND CACAO WRAP

This ritual takes advantage of the many benefits of cacao, leading to a lavish and pleasurable exfoliation. It creates endorphins, which provide serenity and an uplifted mood, an essential source for beauty and wellbeing.

90 min: S/ 416 · \$113

MASSAGES

RELAXING MASSAGE

A total and complete relaxation experience. The bodywork provides a true and deep sense of rest, alleviating tension and fatigue, through immersion into a subtle massage melded with comforting and healthy aromas.

60 min: S/283 · \$77

HOT STONES

Millenary massage ritual based on the benefits of concentrated heat from volcanic rocks, with massage techniques applied to specific areas. This ritual alleviates stress, pains and tension, improving blood circulation and increasing the flow of vital energy.

80 min: S/399 · \$108

MIRROR MASSAGE

Four-handed massage, with the masseuses working symmetrically and in synchronization, providing great comfort and relief, and a doubly relaxing benefit.

60 min: S/471 · \$127

MIXED MASSAGE

80 min: S/380 · \$103

DEEP TISSUE MASAGE

Deep muscle relief, to combat anxiety and relax the nervous system, based on techniques designed for each muscle group, this massage releases tensions and functional contractures caused by stress and fatigue, alleviating pain.

60 min: S/289 · \$78 / 80 min: S/380 · \$103

LYMPHATIC DRAINING MASSAGE

An extremely gentle massage, which mobilizes the liquids accumulated in the intercellular space, favoring the elimination of toxins by stimulating microcirculation, reducing that tired leg feeling and promoting venous return.

80 min: S/380 · \$103

REFLEXOLOGY

30 min: S/123 · \$33
