## SUSTAINABLE MEETING SOLUTIONS

IHG's Meeting for Good programme is dedicated to providing sustainable meeting and event solutions across its global network of hotels. Designed for clients seeking to minimise environmental impact, Meeting for Good incorporates practices that reduce waste, conserve energy, and use innovative digital solutions.

At voco Belfast, sustainability is a core focus, ensuring that meetings and events contribute positively to the environment. Located in the Gasworks district, voco Belfast offers flexible and stylish spaces tailored for impactful gatherings. As part of the Meeting for Good programme, voco Belfast embraces responsible routines such as paperless digital collateral, energy-efficient lighting policies, and sustainable food and beverage options. Additionally, to further reduce single-use waste, the use of refillable glass bottles replaces plastic alternatives.

By integrating sustainable practices without compromising quality or convenience, voco Belfast ensures that every event reflects a commitment to responsible hospitality.

# Accessibility

---

We are committed to ensuring that every guest enjoys a comfortable and inclusive experience. Our hotel is designed with accessibility in mind, providing thoughtful features that cater to a variety of needs.

## ACCESSIBLE FEATURES

- Wheelchair-Accessible Rooms – We offer accessible and inter-connecting guest rooms, designed for ease of movement and equipped with features to enhance comfort.
- Step-Free Access – The hotel entrance, public areas, and elevators are fully wheelchair accessible, ensuring smooth navigation throughout the property.
- Accessible Parking – Dedicated wheelchair-accessible parking spaces are available onsite for added convenience.
- Public Area Accessibility – Our lobby, restaurant, and meeting spaces are designed to accommodate guests with mobility needs.
- Hearing Loop in Meeting Rooms – Our meeting spaces are equipped with hearing loop systems, ensuring clear audio for guests with hearing impairments.
- Service Animals Welcome – We gladly welcome service animals, ensuring that all guests receive the support they need.

We believe that hospitality should be inclusive and welcoming for all. Whether you're visiting for business or leisure, our team is here to ensure a seamless and enjoyable stay.

# Sustainability

---

Sustainability is at the heart of everything we do. As part of IHG's commitment to responsible hospitality, we integrate eco-friendly practices that reduce waste, conserve energy, and support our local community.

## OUR SUSTAINABILITY INITIATIVES

- **Energy Efficiency** – We use energy-saving LED lighting and aerated showerheads to reduce water and electricity consumption without compromising guest comfort.
- **Waste Reduction** – Single-use plastics are minimised, with refillable glass bottles replacing plastic alternatives in meeting rooms. Guests also enjoy complimentary water in bedrooms, refreshed daily in Tetra Pak cartons, offering a more sustainable alternative to traditional plastic bottles.
- **Sustainable Dining** – Our food and beverage offerings prioritise locally sourced ingredients, reducing carbon footprint while supporting local producers.
- **Eco-Friendly Amenities** – Guests enjoy biodegradable coffee cups and premium, sustainable toiletries, ensuring a responsible stay.
- **Community Engagement** – We proudly partner with Downs Syndrome Association Northern Ireland, supporting their initiatives and fostering inclusivity within our local community. Additionally, we collaborate with Co-operation Ireland, a charity dedicated to peacebuilding and cross-community initiatives across the island of Ireland. Their work focuses on fostering positive relationships between communities, promoting reconciliation, and supporting youth development programmes.

At voco Belfast, we are proud to be part of IHG's journey—Step by Step—to a more sustainable future. We believe that small changes lead to a big impact. By integrating sustainability into our daily operations, we ensure that every stay contributes to a greener future.
