**IT HAS A RING TO IT**

As you approach the hotel, the tree-lined driveway — flanked by the neighbouring horse sanctuary and apple orchard — opens up to reveal the modern Cotswold stone building. voco® Oxford Spires sets the tone for a beautiful wedding day with its charming contemporary design features mixed with historic character.

Centred within picturesque parkland with rustic English gardens, it's perfect for those all-important photographs. Our countryside setting is located a short stroll from the River Thames, as well as being within easy reach of Oxford city centre, which is only a stone's throw away.
