The finishing touches

MAKING YOUR DAY EXTRA SPECIAL

Your day, your way

We understand that your wedding day is unique and while we have packages to make your life easier, if you want to create something truly bespoke, then that's fine too. Simply speak with your wedding coordinator who will be happy to discuss exactly what you want to bring your dream day to life.

Let love blossom

Flowers play an important part in any wedding; they set the tone for a celebration, carry your chosen theme and help create a beautiful setting. For many couples, knowing where to start when it comes to choosing your wedding flowers can be difficult so, before you head out for your first florist consultation, speak with our wedding planner for advice and local florist recommendations.

Champagne and chocolate

Why not add a perfect ending to the perfect day with champagne and chocolates in your wedding suite?

Just speak to your wedding coordinator to place your order.

It's in the detail

It's often the little things that make your wedding unique which is why we offer the flexibility to add your own creative touch to your day. For example, add colour to your wedding décor with bold and beautiful coloured chair sashes available in assorted colours, or ask about hiring our sweet cart. Just ask your wedding coordinator how we can make your day that little bit more you.
