

Dining

THE OLIVE TREE RESTAURANT

The Olive Tree Restaurant is located on the ground floor and offers a contemporary, Mediterranean dining experience. Guests can choose to dine in our main restaurant, air-conditioned conservatory or, on warmer days, our outside courtyard.

Our open show kitchen celebrates the theatre of food with honest ingredients, bold techniques and dishes prepared in full view. Where possible, our ingredients are locally sourced, and our menu embraces innovation whilst respecting tradition. We proudly cater to all dietary requirements to ensure a relaxing and enjoyable dining experience for all.

The restaurant offers a range of breakfast options including the traditional English Breakfast, a continental selection and à la carte menu.

In the evening, guests can dine from our à la carte menu which combines fresh, vibrant flavours with thoughtful modern cooking.
