The Crowne Plaza Minneapolis West is proud to be recognized for its wedding services by two of the nation's most popular wedding planning platforms, The Knot and WeddingWire.

Crowne Plaza has been selected as a 2019 winner for The Knot Best of Weddings, an accolade representing the highest and most-rated wedding professionals as reviewed by real couples, wedding guests and their families on The Knot, a leading wedding planning brand.

In addition, the Crowne Plaza is a winner of the 2020 WeddingWire Couples' Choice Awards®, an award that recognizes the commitment to quality, service, responsiveness, and professionalism. This is the third consecutive year that the Crowne Plaza Minneapolis West has been named a winner of WeddingWire Couples' Choice Awards®.

*The Crowne Plaza was so incredibly easy to work with! From day one they were open and communicative, and helped me in any way they could accommodate. The food was great, the catering staff was amazingly helpful, and we had so many compliments on the venue. This hotel knows what they're doing for large events, and it shows! I couldn't be happier with our location choice. – Kelly*

*The Crowne Plaza was so beautiful & perfect for our wedding! The Regency ballroom felt so glamorous and the staff was amazing through the whole weekend! We had family stay 3 nights and loved everything about the space! Ali was so great to work with; she really took care of everything for us. She was responsive & was a great contact with our vendors, as well! – Jen*

*The staff at the Crowne Plaza in Plymouth are beyond wonderful and helpful with anything and everything. We had the most amazing day and we couldn't have imaged it being any different. - Sydney*

**GUARANTEE**

To ensure excellent service and ample food preparation, we require a final guarantee number of guests to our catering office no later than Noon (12:00pm), 7 business days prior to your event. Should a guarantee not be received, the hotel will note the minimum number indicated on the event orders as your final guarantee.

**PAYMENT OPTIONS**

Cash, cashier's check, check or credit cards are acceptable forms of payment. Social events require a credit card authorization for incidentals and cancellations. If paying by cashier's check for final payment, cashier's check must be provided to the hotel two (2) weeks prior to your event in order for cashier's check to clear.

**DEPOSITS**

A deposit equal to 20% of your Food and Beverage Minimum is due at the time of contract signing. An estimated bill will be presented for a pre-payment and is due seven (7) business days prior to the event. Your initial deposit is held as a guarantee for any additional charges incurred during the function. If final pre-payment is not received prior to your event, the hotel reserves the right to cancel the entire event completely.

**MENU SELECTION**

Menu selections are requested three (3) weeks prior to your event date. Special dietary substitutions are available and can be made in advance. Two entrée selections per meal are permitted, not including special dietary requests. If a third or fourth entrée selection is made, there will be an additional charge of \$2 per entrée. The catering and culinary team will be happy to design a specific menu to suit your needs.

**PRICING**

The hotel will guarantee all food and beverage pricing 90 days prior to your event as commodity prices and labor costs to the hotel may change. A taxable service charge in effect at the time of the event (currently 24%) will be applied to hotel food and beverage. The service charge is not a gratuity and is distributed at the discretion of management. The current sales and local taxes are 8.525% on food and 11.025% on liquor. Please note that service charge is taxed in the state of Minnesota.

**FOOD AND BEVERAGE MINIMUM**

A food and beverage minimum is required for all events, and will be outlined on the contract. The actual revenue generated must meet the contracted food and beverage minimum (exclusive of tax and service charge) or an additional charge will be applied for the difference.

**BEVERAGE POLICY**

The hotel may request proper identification for beverage service to satisfy the hotel's liquor license. The hotel beverage license required the hotel to request proper identification for anyone forty (40) years of age or younger and to refuse service to anyone either under age OR unable to produce proper identification. The hotel also must refuse alcoholic beverage service to any person who, in the hotel's judgment, appears intoxicated. Bar service concludes at 12:30 AM. The banquet space must be vacated by 1:00 AM.

**FOOD AND BEVERAGE**

All food and beverage is required to be prepared by the Crowne Plaza Minneapolis West with the exception of wedding desserts provided by a licensed bakery. No food or beverage will be permitted to leave the premises due to license restrictions.

**IHG WEDDING REWARDS**

Excluding special promotions or incentives, members will earn 3 IHG Rewards Club Points for every \$1 USD spent on qualifying actualized event charges, up to a maximum of 60,000 points. Qualifying event charges include – guest rooms, food, beverages, meeting room rental, and audio visual. Non-qualifying event charges include –all taxes, gratuities, service fees, outside vendor/supplier charges, any attendee incidentals. Points will be credited to the IHG Business Rewards member's account within 45 days from the date of the event, provided that it has been paid for in accordance with the relevant sales and/or catering contract with the hotel.

**EVENT ROOMS**

Event rooms are assigned based upon the guarantee attendance. The hotel will confirm specific event rooms on the banquet event order. The hotel will set for 5% over the final guarantee that is given seven (7) business days prior to the event. If a room set changes on the day of the event and differs from the banquet event order a \$250 reset charge will be applied. The hotel standard is to open doors to the event 30 minutes prior to the scheduled meal time on the banquet event order. If earlier guest access is required to the event space more than 30 minutes prior to the meal period, a labor charge of \$125 for every 30 minutes will be applied to the Master Account. If the time of the event exceeds the contractual agreement outlined on the banquet event order, a labor charge of \$125 for every 30 minutes will apply. Confetti, glitter, rice, and bird seed are NOT permitted and will result in a \$300 labor charge for clean up. Open flamed candles must be contained and no fog/smoke, gas or propane devices are permitted. The hotel will not permit the affixing of anything to our walls, floors and ceilings of the room with nails, staples, and tape or any other material unless approval is given by the catering department.

**VENDORS**

Deliveries of specialty items should be scheduled in advance with the catering sales manager and removed at the conclusion of the event, unless otherwise approved for late removal. It is the responsibility of the wedding couples to communicate with their vendors as to the appropriate setup and teardown times. The hotel is not responsible for any lost or stolen items.

**SECURITY/LIABILITY**

The hotel does not assume responsibility or liability for damage or loss of any merchandise or articles brought on the premise or left behind. The hotel does have onsite security personnel for weekend events.

**NOISE**

Any audio decibel levels measured at 95dB or higher are NOT permitted. Any audio providers not adhering to hotel policy may result in discontinuation for remainder of event.
